Berchem Train Station

It's just a 10-minute walk from the train station to our offices, a great opportunity to discover the bustling neighbourhood.

Set your 'sat nav' to Lamoriniëstraat 161.

Lamoriniëstraat, Lange Leemstraat and Marialei are the surrounding streets of the Regine Beerplein. This part of Antwerp is brand new, so it could well be your car is not familiar with our address. The entrance of our parking is situated at Lamoriniëstraat 161. Seeing the available parking spaces are limited, we recommend carpooling if possible.

"Can I charge my Tesla?" 

The nearest charger is at Uitbreidingstraat 470, a 13-minute walk from PAKT.

Welcome at PAKT, a melting pot of creative entrepreneurs.

All sorts of people are nesting here, eagerly working on something to amaze you with. Some of our neighbours help you burn calories; others treat you to a delicious snack (it's all about balance). It's an exciting hot spot, but also a great place to unwind: did you know there's an urban farmer on the roof? So, lettuce pick each other's brain while we pick some tasty raspberries.
